Enumerating rights, empowering consumers

**2**

- Administrative
- Civil remedies
- Criminal sanctions

Provides dispute mechanism, ensuring equality

**3**

- Data anonymisation
- Data storage
- Data portability
- Data security
- Data encryption
- Data deletion

Oversees and encourages innovation

**4**

- Data breach notification
- Data protection officer
- Privacy impact analysis

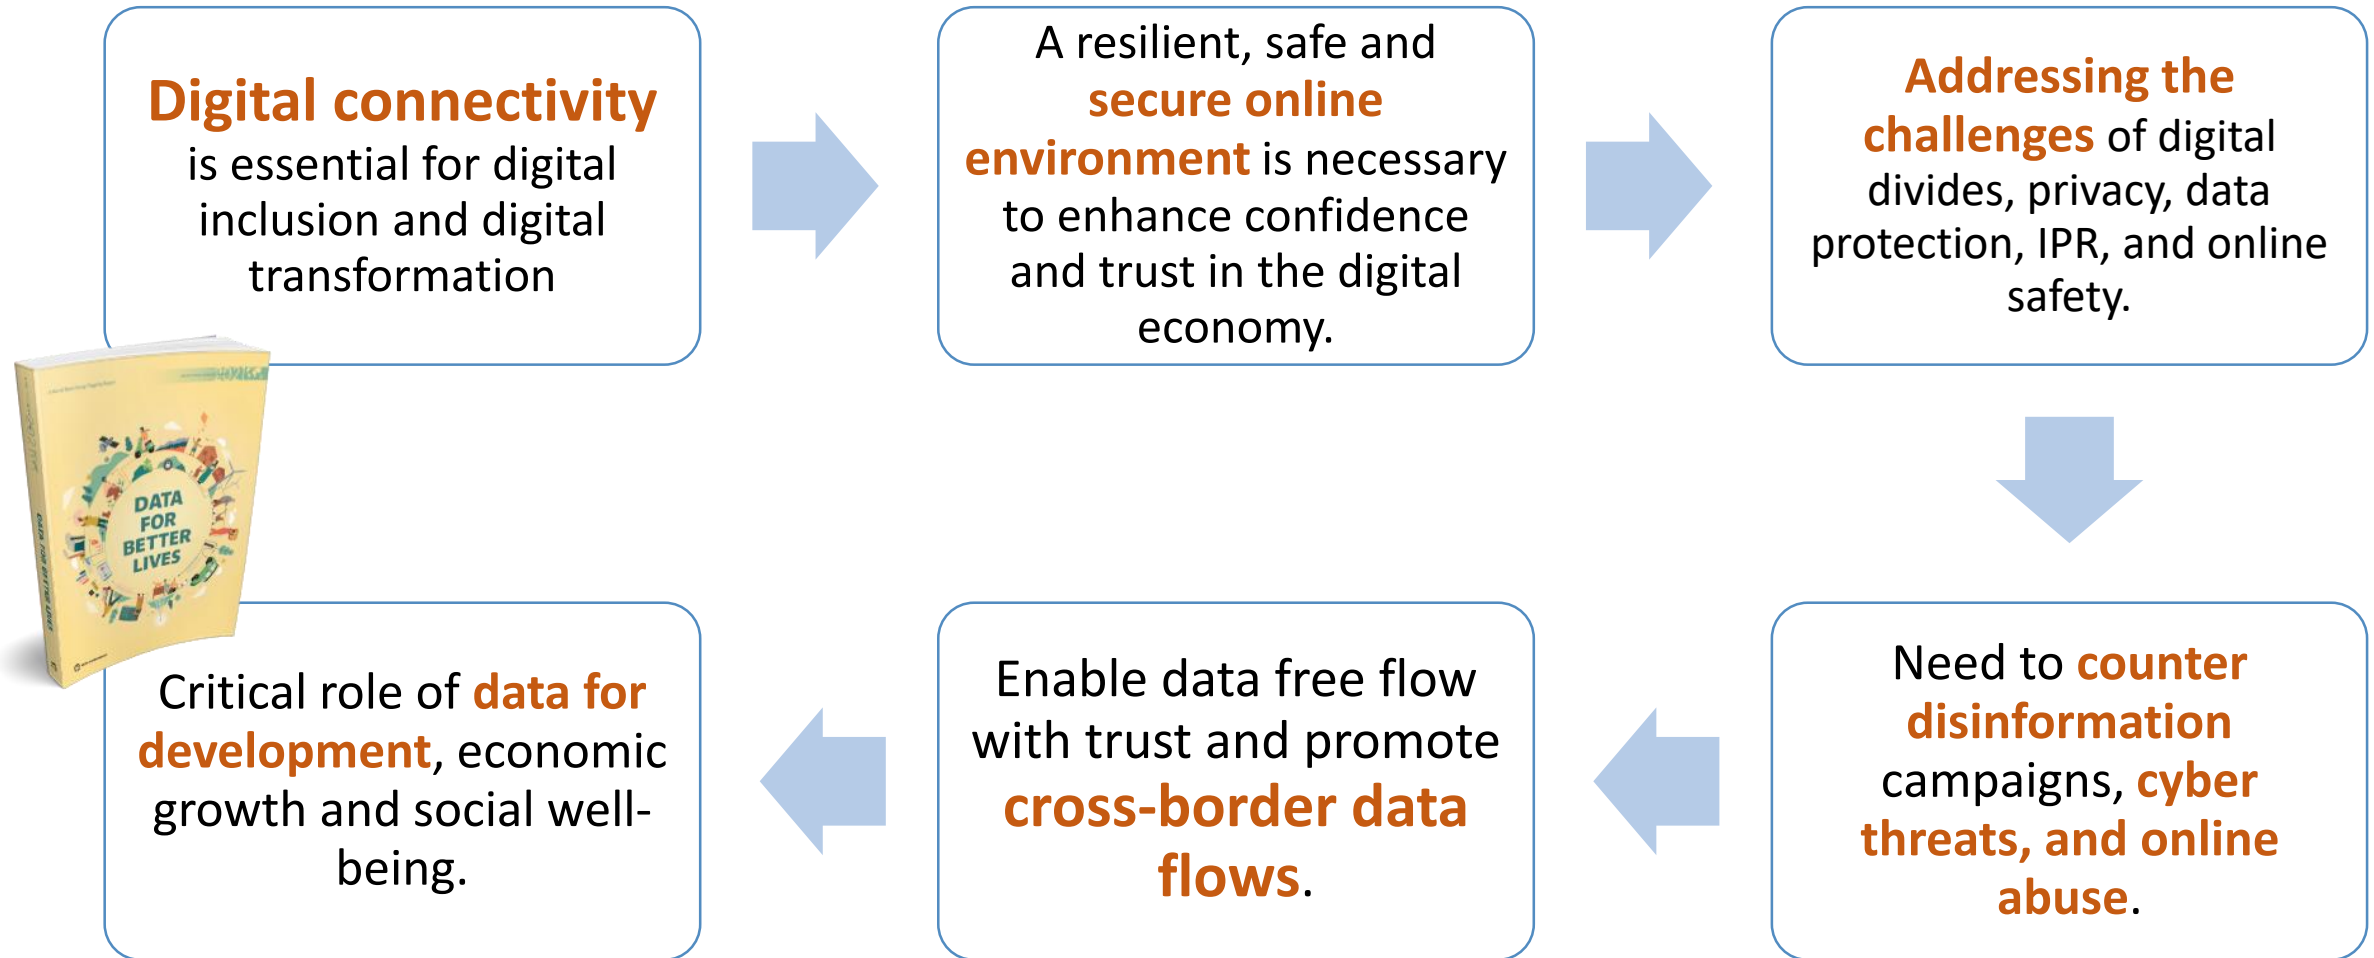

Data Accountability

**5**

# The G20 Digital Economy Transformation Framework

*G20 Bali Declaration, 2022*

# Data for Better Lives

The World Bank, 2021

---

Forge a new **social contract** for data.

---

Increase data use and reuse to realize **greater value**.

---

Create more **equitable access** to the benefits of data

---

Foster **trust through safeguards** that protect people from the harm of data misuse.

---

Work toward an **integrated national data system**.

# Closing Remarks

01

There is a strong link between Information Governance, Fundamental rights and the Economic fairness

02

The link is both corroborative and causal relation

03

While information explosion is unavoidable, its economic impact can be strategically managed

04

As technology moves within the society, so does the notion and pattern of its regulation

# THANK YOU
